Portal

3. Following Window appears, which request rider to enter the following details as shown here.

# 1

QRyde/Rydelog is the name of the MicroMOO software.  
**If you are already registered on QRyde/Ridelog**

Fill out First name, Second name and Date of Birth, and it will automatically fetch details, like address and client ID from Rydelog. **MAKE SURE YOU WRITE DOWN YOUR USER ID.**

Then fill in the password and re –enter Password and confirm the same.

# 2

**If you are not already registered on Rydelog**

Fill in your First name, Second name and Date of Birth, it will show that you have not been registered on QRyde/Rydelog before, and then have to fill in all the details.

Once putting all the personal information. The system will automatically generate the Client ID. **MAKE SURE YOU WRITE DOWN YOUR USER ID.**

Then one has to just fill-in the password and re – enter Password and confirm the same.

And the account is created.
